

Please note:

This email may have been sent to you as a Practical Water Wisdom registrant. If you do not wish to be included in future monthly announcements please reply to this email or call 218-256-5998.

First in the 2024
Practical Water Wisdom series:

“The value of wetlands and the regulations that protect them”

THURSDAY ~ February 1st ~ 12-1pm

Did you know that there are several types of wetlands, from seasonally flooded wetlands that are actually dry for much of the year to wetland bogs that are almost always covered by some water?

Jesse Davis, 1977–2024

This past month we lost our dear friend, colleague and President of Itasca Waters, Jesse Davis. He was an integral part of the Itasca County community and a dedicated volunteer and leader. He will be greatly missed by those lives he touched in the community.
